MEMORANDUM FOR: Chairman, National Intelligence Council

FROM : Major General Edward B. Atkeson, USA  
National Intelligence Officer for General Purpose Forces

SUBJECT : Travel - MG Edward B. Atkeson, USA

1. I am in the process of laying out NIO/GPF travel plans for the remainder of this year. Five thousand dollars has been earmarked in the budget for a trip for me to Europe, but I do not believe that that would be the best use of the money. As you know, I served until July 1980 as Deputy Chief of Staff Intelligence HQ USAREUR, and am reasonably current on Central European security affairs. I feel that time spent in familiarizing myself with military perspectives in (a) the Middle East, with emphasis on the Persian Gulf, and (b) Northeast Asia [redacted] would be more productive.
